

Cybersecurity Analyst Intern

Location: Nairobi, Kenya

Type: Internship (Full-time / Part-time)

Duration: 3–6 months

Department: Cybersecurity Operations

Application Deadline: November 03, 2025

About Fanan Limited

Fanan Limited is a Kenyan-based cybersecurity company dedicated to protecting digital assets and empowering organizations to thrive securely in an increasingly connected world. We provide cutting-edge cybersecurity solutions, training, and consulting services across various industries.

Role Overview

We are seeking a passionate and detail-oriented **Cybersecurity Analyst Intern** to join our growing team. This internship offers hands-on experience in threat detection, incident response, and vulnerability management, providing a strong foundation for a career in cybersecurity.

Key Responsibilities

- Monitor and analyse security alerts from various sources (SIEM, firewalls, antivirus, etc.)
- Assist in identifying, investigating, and responding to security incidents
- Conduct vulnerability assessments and support remediation efforts
- Research emerging threats and contribute to threat intelligence reports
- Document findings, procedures, and recommendations
- Support the cybersecurity team in daily operations and special projects

Qualifications

- Currently pursuing or recently completed a degree in Cybersecurity, Information Technology, Computer Science, or a related field
- Basic understanding of networking, operating systems, and common security tools
- Familiarity with cybersecurity concepts such as malware, phishing, and firewalls
- Strong analytical and problem-solving skills
- Eagerness to learn and adapt in a fast-paced environment
- Excellent written and verbal communication skills

Preferred Skills (Not Mandatory)

- Experience with Linux or Windows command line
- Exposure to tools like Wireshark, Nmap, or Metasploit
- Knowledge of scripting languages (Python, Bash, etc.)

What We Offer

- Mentorship from experienced cybersecurity professionals
- Real-world exposure to security operations and tools
- Opportunity to contribute to meaningful projects
- Certificate of completion and potential for full-time employment

How to Apply

Send your CV and a brief cover letter to **recruitment@fanan.co.ke** with the subject line: **Cybersecurity Analyst Intern Application.**

Deadline for applications: November 03, 2025
